

# The market has changed

## Have you?

In a complex market environment, only BestEx provides **conflict free execution**.

# BestEx

Best Execution | Superior Performance

## Outsourced Trading

Our buy-side dealing desk solution offers the flexibility to fully or partly **outsource** your dealing function. It gives you **better access to liquidity** and the **guarantee of best execution** at **no additional cost** to your firm or investors.

### Trading in Today's Market:

- 2 public exchanges
- 19 dark pools
- 30% of trading is 'dark'
- 30% of trading is HFT
- >50% of trading bypasses sales traders

## Still trading as you always have?

In a complex market environment, trade execution has a material impact on performance. Fund managers need an experienced trading desk to achieve best execution of their orders.

—  
Our dealing desk is 100% broker neutral and does not interfere with your existing relationships
